

EMPLOYERS

YOUR FUTURE BEGINS HERE

Regional Internships in Science & Engineering

BECOME A RISE INTERNSHIP PARTNER!

Why get involved with the RISE program?

- Gain a recruiting partner to scout potential employees
- Enhance your organization's efficiency and productivity
- Reduce your recruitment costs by training, assessing and evaluating potential future employees
- Provide an opportunity of career and personal growth of full-time staff to get experience in management by working with an intern
- Enhance your company's image in the community by influencing the educational and professional development of our students
- Create a source of diverse employees who can bring new perspectives to your company
