## Prism Community Engagement

### **Engineer The Future – [2016]**

Partnering with Greater Milwaukee Foundation, Milwaukee Bucks and Milwaukee Public Schools, Engineer The Future will take place October 2016. The event will focus on high school students who will build models of the new Bucks arena and learn how engineering touches all facets of life.

### **Girl Day – [2013 - Present]**

Funded, facilitated and recruited sponsors and women engineers to introduce engineering to 5th-8th grade girls from MPS Schools. Over 500 girls have participated since inception. The first annual Boy Day will take place Fall 2016.

### **Dream Chasing ROV – [2009 – 2011]**

Funded, mentored and coached a team of 9 Milwaukee County teens – representing MKE CNTY in the only non-public School participating in a 7 county competitions. (ROV – Underwater Remote Operated Vehicle)

### **RISE Engineering Internship Program – [2008 - Present]**

The program provides students an opportunity to build long lasting working relationships with MMSD service providers (construction contractors, engineers, designers, consultants and planning firms) in an effort to expose students to opportunities and prepare them for increased success in the Greater Milwaukee engineering infrastructure job market.

### **Business Capacity Development Program – [2004 - Present]**

Increasing the capacity of local, small, minority and women-owned businesses to better compete for and participate on District and City capital projects through training, mentorship and technical assistance. The program increases business owners' knowledge and confidence in key areas for business success

### **Dream Chasing – [2000 – 2009]**

Funded, mentored and traveled with more than 200 Milwaukee youth to more than 75 colleges and universities in a career exploration to find and develop dreams.
