

The Milwaukee RISE Program

APPLICATION FOR ENGINEERING INTERNSHIP

The RISE Program is sponsored by the Milwaukee Metropolitan Sewerage District (MMSD). MMSD, however, is not responsible for the management, employment, retention, or termination of students. RISE was developed to assist in reducing the shortage of minorities studying and completing their education in the fields of science and engineering and ultimately gaining professional employment in the region. Student interns will be interviewed and employed by independent consultants and contractors, each representing that they are equal opportunity employers, who agree not to discriminate on the basis of race, religion, color, national origin, age, sex, gender, disability, sexual orientation or any other characteristic protected by law. The purpose of the initiative is to expose students from the Milwaukee area and potential employers to one another, in an effort to develop a long lasting, mutually beneficial professional relationship.
